Children with Special Needs

Children with Special Needs @ the Library

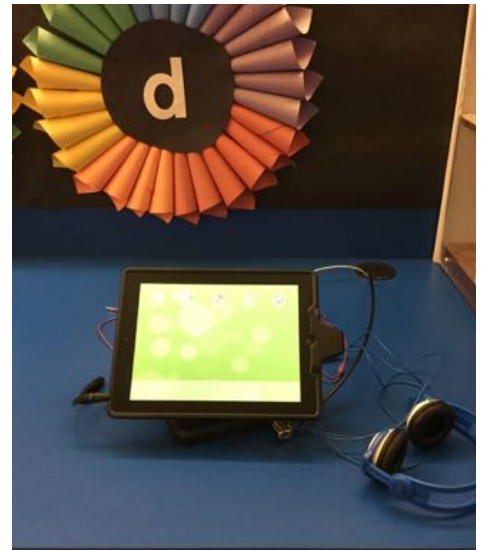

The Youth Services area in the library is proud to offer a Special Needs Collection including therapy and educational materials, Discovery Kits, Braille books, and ASL materials. In addition, they offer special programming for children with special needs: Shake, Rhythm & Rhyme, and SENSEational Story Time.

If you need help, or would like information regarding programming, please ask a librarian at the Youth Services Information Desk.

Library

Youth Technology

Youth Technology @ the Library

The library offers a lot of technology for kids! The library has iPad stations, computers, and listening stations.

You can play games on the computer! You can listen to stories!
You can learn on an iPad app!

Always wear headphones when you are listening to books, or playing on the iPads or computers. Be kind to others, and be gentle to the books, toys, and furniture. If you need help, ask a librarian at the Youth Services Information Desk.

Library

Teen Services

Teen Services @ the Library

The library has a Teen Services area with individual and group study areas, including private study rooms. The private study rooms are available to members on a first-come, first-serve basis.

There are computer stations throughout the Teen Services area available for member use.

If you need assistance, please ask a librarian at the information desk.

Play Time

Play Time @ the Library

The library offers many play areas for children including a dollhouse, floor play area, puppet theater, and youth terrace.

You can play dress up! You can play with blocks and puzzles!
You can play outside and look at plants! You can have a puppet show!

Be kind to others, and be gentle to the books, toys, and furniture.
If you need help, ask a librarian at the Youth Services Information Desk.

Media

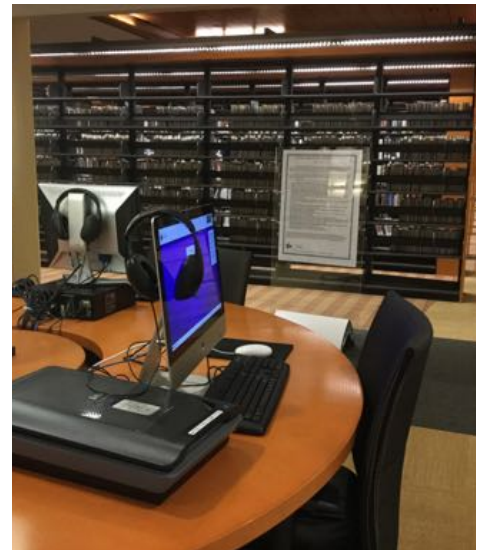

Media @ the Library

In the media area, there are CDs, DVDs, video games, computer games, and audiobooks on CD available for checkout. The media area has items appropriate for children, adolescents, and adults.

There is a periodical area, which has magazines to read by the fireplace, or to check out at the circulation desk.

If you need assistance, please ask the librarian at the Media Information Desk.

Computers

Computers @ the Library

The library has computers available for member use throughout the youth, teen, and adult areas. There is also a computer lab in the adult section that is used for computer classes.

Always use headphones when you are on the computer, so you don't disturb other people.

If you need assistance using a computer, please ask a librarian at the nearest information desk.
