

A Path Forward: Housing Options for Adults with IDD

An Online Informational Session Hosted by
Rochester Housing Solutions (RHS)

Thursday, March 5
7 - 8pm
Online / No Cost to
Attend

You're Not Alone in Planning for the Future - Finding the right housing option for an adult loved one with an intellectual or developmental disability (IDD) can feel overwhelming. Families often face limited choices, long waitlists, and uncertainty about how housing, support services, and government benefits fit together.

Rochester Housing Solutions (RHS) was created to change that - Join us for a live online informational session to learn about RHS' neuro-inclusive housing model, how we are building community, and training our families for success and creating forever homes for our loved ones..

Limited ownership and rental opportunities remain - Sign-up during the event or on the RHS website to attend future opportunities to meet our families, ask questions, and decide if our neighborhoods are a good fit for you and your loved one.
